WARRANT FOR TOWN MEETING

(L.S.) State of New Hampshire

To the inhabitants of the Town of Enfield qualified to vote in town affairs:

You are hereby notified to meet in Whitney Hall in said Town of Enfield on the tenth day of March next, at nine o'clock in the forenoon, to act on the following subjects:

Article 1. To choose by ballot to serve for three years, one Selectman, one Trustee of Trust Funds, one Library Trustee, one Fire Ward and one member of the Recreation Commission; to serve for one year, one Treasurer, one Clerk, one Tax Collector, one Highway Agent, one Overseer of Public Welfare, one Police Chief, one Cemetery Agent, two Auditors and such other necessary town officers required by law to be chosen for the ensuing year.

Polls will be open at 9:30 A.M. and will not close before 6:00 P.M.

Article 2. To see if the town will vote to authorize the Selectmen to borrow money in anticipation of taxes, the sums so borrowed to be paid before the end of the fiscal year in which the debt was incurred.

Article 3. To authorize the sale or lease of any or all of such parcels of real estate acquired by the town through tax collector's deeds for non-payment of taxes, or any other deeds, and to authorize the Board of Selectmen to execute and deliver, in the name of the town, suitable deeds or leases of such real estate, subject to such conditions or restrictions as may be voted by the meeting.

Article 4. To see if the town will vote to raise the sum of \$3,000.00 for State Aid Construction, to receive the sum of 6,000.00 from the state, or act thereon.

Article 5. To see if the town will vote to raise the sum of \$1,023.36 for Town Road Aid and to receive the sum of \$6,822.38 from the state.

Article 6. To see if the town will vote to adopt the Budget and raise or appropriate the various sums recommended and posted by the Budget Committee, or act thereon.

Article 7. To see if the town will vote to raise or appropriate the sum of \$500.00 to be placed in the Capital Reserve Fund, dedicated to be used for the future erection of a Town Fire Station, or act thereon.

Article 8. As recommended by the Budget Committee. To see if the town will vote to turn in one of the old town trucks, together with old truck plow equipment, toward the purchase of a new heavy duty truck and new truck plow equipment, the whole to cost not more than \$10,000.00 plus trade in value, and to appropriate for same as follows: \$3,500.00 to be raised by taxes this year, the remainder, not to exceed \$6,500.00, to be borrowed on long term notes to mature in 1960 and 1961. Also to authorize the Selectmen to apply the net earnings of equipment after payment for town grader has been completed, toward reduction of the long term truck notes.

Article 9. To see if the town will vote to accept \$100.00 from Harriet A. Bailey as a trust fund, the income therefrom to be used for the perpetual care of the Ernest O. Bailey lot in the North End Cemetery.

Article 10. To see if the town will vote to deposit in the hands of the Trustees of Trust Funds the proceeds of future sales of lots from town owned cemeteries, the income, and if necessary the principal of such deposits to be used thereafter for the extension or improvement of the cemetery from which the lots were sold, or approaches thereto.

Article 11. To see if the town will vote that, if the purposes or objects, hereinafter designated, for which appropriations for the year 1959 may have been made have not been fully accomplished during the fiscal year, then the funds so appropriated or unexpended on the unfinished portion of said object shall be placed in a Capital Reserve Fund dedicated to the purpose or object of its conception until such time as the Board of Selectmen,

acting as agents for the town, shall have the opportunity or occasion for the fulfilling or completion of/or for the purpose or objects for which said appropriation was created.

The especially designated purposes for the fiscal year ending December 31, 1959, are as follows:

The net earnings of the town trucks, shovel loader, and grader, derived from highway appropriations for replacement purposes, and also any unexpended highway funds.

Article 12. To hear the reports of agents, auditors, officers or committees heretofore chosen and pass any vote relating thereto.

Article 13. To take any vote or transact any further business that may legally come before said meeting.

Given under our hands and seal this 18th day of February, A. D. 1959.

R. J. Bruce,

Health Officer

REPORT OF THE PUBLIC NURSE

Plymouth, N. H.
January 8, 1959

Mr. Walter C. Morse,
Chairman Selectmen
Enfield, N. H.

Dear Sir:

The following is a report of the activities conducted by the N. H. Department of Health, Bureau Public Health Nursing, for the town of Enfield for the year 1958.

The nurse assisted with a Salk Vaccine clinic at the Baltic Mills and 139 employees received the third Salk vaccine inoculation.

During 1957 several clinics were held for immunizations for children in the community therefore none were held in 1958, but plans are being made for a preschool Dental Fluorine program to be held in 1959.

Home visits were made in the town on mothers, babies and preschool age children. Arrangements were made for children to attend diagnostic clinics at Hanover and arrangements for eye corrections under the N. H. Sight Conservation program, with follow-up calls as necessary.

Respectfully submitted,

Lois W. Barton, R.N.

Public Health Nurse

The Librarian and the Board of Trustees wish to publicly thank the members of the Library Staff for their fine work in the interests of the Library, particularly in their relations with our young people and also in providing reading matter for a number of sick and shut-ins who could not come to the Library. Thanks are also due local citizens and visitors, too numerous to mention, who have contributed books, magazines and material for the historical collection. The Librarian is engaged in assembling material for the purpose of writing a suitable sketch of the Town's early history which might be used in 1961 when the Town celebrates the 200th anniversary of the granting of our Charter. A group of citizens are being contacted to consider forming an Enfield Historical Association and from the fine collection of historical documents which we now have about our Town, be able to select incidents which might be suitable for a pageant to be presented at that time. Since a number of the towns around Enfield were granted their charters the same year, a regional group has been formed to consider ways and means of making this a memorable occasion in the area.

During the summer of 1958 the Commission accomplished the following work, by building more terrace work along the shore line and hauling in sand the bather area was tripled in size. Also, a 50 car parking lot was cleared, leveled and made ready for use. A small picnic area was cleared and 3 tables provided through the co-operation of the Civic Association, 5 tables were made and provided by the Commission. The Civic Association also provided the signs naming the beach and also the expense of dedication on the beach and picnic area.

The Commission also built a stairway from the parking and picnic area to the beach. Our thanks to the State Highway Department for changing the roadway so that there is just one approach to the main highway which eliminates a bottle neck and makes it safer for traffic and the bathers. It will also give the Commissioners a chance to enlarge the beach area this spring about five times its original size with little cost. About 200 yards of sand was hauled in late last fall to be spread this spring.

The plans of the Commission for the season of 1959 call for the building of a bath house with a concession in the center. Two rest rooms plus finishing out 100 feet of curb work at an estimated cost of \$1600.00. We also hope to enlarge the picnic area and build a high diving board, and fence across the front of the parking area. Upon making a survey of the work that was done in 1958 the commission feels that for every dollar spent we accomplished five dollars worth of work. It is our hope to be able to do the same in 1959. We wish to thank the following people and organizations for their contributions of money and labor and material:

REPORT OF DISTRICT FIRE CHIEF

You Can Help Prevent Forest Fires

Twenty-five percent of all forest fires in New Hampshire are caused from careless debris burning — brush, paper, leaves, grass, etc. Most of them are started without the required permit from the local forest fire warden. The cost of extinguishing these fires annually runs into large sums of money.

According to law, responsible parties must pay the cost of putting them out. In addition, violators may be subject to court prosecution with fines running as high as (\$200) two-hundred dollars.

In the interest of fire prevention why not eliminate burning at home? Use your town dump. It has been set up for your personal convenience. It provides a suitable place for the disposal of dangerous inflammable waste material and other useless items which accumulate around the home and local stores; brush, etc. cut on your property. Eliminate the hazard of burning yourself. It will be easier for you—personally and financially.

If, however, you do burn on your premises:

1. Secure a permit from your local forest fire warden —the law requires it.
2. Be sure to properly supervise your burning. Don't leave it.
3. Make certain your fire is DEAD OUT before leaving it.

Save yourself much possible difficulty. Use your town dump.

SCHOOL DISTRICT WARRANT

STATE OF NEW HAMPSHIRE

Grafton, S.S.

School District of Enfield

To the inhabitants of the School District of Enfield qualified to vote in District affairs:

You are hereby notified to meet at the Enfield Village School, Enfield, on the Ninth day of March, 1959, at seven-thirty o'clock in the evening, to act upon the following subjects:

Article 1. To choose by ballot a Moderator, a Clerk and a Treasurer, each to serve one year; and a member of the School Board, to serve for three years.

Article 2. To hear the reports of Agents, Auditors, Officers or Committees heretofore chosen and pass any vote relating thereto.

Article 3. To choose Agents, Auditors or Committees necessary for managing District affairs.

Article 4. To see what sum of money the District will raise and appropriate for the support of schools, for the salaries of School District officials and agents, and for the payment of statutory obligations of the District, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the Town.

Article 5. To see if the District will raise and appropriate, in addition to the original appropriation for 1958-59, a sum of money to be made available to the School District prior to July 1, 1959, in order to meet obligations due to an unanticipated decrease in tuition receipts.

Article 6. To see if the School District will vote to adopt a plan for extending to employees of the School

District the benefits of title II of the Federal Social Security Act (Old Age and Survivors Insurance) as authorized by Chapter 101 of the Revised Statutes Annotated Amended by Chapter 301 and 332 of the Laws of 1955 and to raise and appropriate the sum of Two Hundred Sixty-Five Dollars (\$265.00) to defray the School District's share of the cost thereof.

Article 7. To see if the School District wishes to exclude from the plan services in any class or classes of positions filled by popular election.

Article 8. To see if the School District wishes to exclude from the plan services in any class or classes of positions the compensation for which is on a fee basis.

Article 9. If a plan for Social Security coverage is adopted, to see if the School District will authorize the School Board to execute on behalf of the School District the necessary agreement with the State of New Hampshire to carry into effect the plan and to see if the School District will designate the School District Treasurer as the officer to be responsible for the administration of the plan.

Article 10. To see if the District will vote to authorize the School Board to make application for and to accept, on behalf of the District, any or all grants or offers for educational purposes which may now or hereafter be forthcoming from the State of New Hampshire and/or United States.

Article 11. To see if the District will vote to raise and appropriate, in addition to the original appropriation for 1958-59, a sum of \$1,500.00 (One Thousand Five Hundred Dollars) to be made available to the school district prior to July 1, 1959, in order for the district to avail itself during 1958-59 of federal funds to be distributed under the provisions of the National Defense Education Act, Public Law 85-864, and to authorize the school board to make application for, to accept on behalf of the district, and to apply against this appropriation any or all grants or other funds which may now or hereafter be forthcoming from the United States Government or from

the State of New Hampshire under the provisions of the National Defense Education Act.

Article 12. To transact any other business that may legally come before this meeting.

The polls will open at 7:30 p.m. and will not close before 9:00 p.m.

Given under our hands at said Enfield, N. H. this 17th day of February, 1959.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Enfield :

I present herein my annual report for 1958, my fifth annual report as Superintendent of Schools in Enfield. In preparing the report I have used freely from material submitted by Mr. Ralph Staples, Principal, in his annual report to me.

Curriculum

In my 1957 report I included the report from the State Department of Education on the question of Enfield High School meeting state minimum standards for approval. The addition of one teacher, and the lengthening of the school day has made it possible to more than meet those requirements, namely: (1) that the principal's full time, or its equivalent, be devoted to administrative and supervisory duties; (2) that teachers' loads be lightened; (3) that the time for each class be lengthened; and (4) that a fine arts course and a course in electricity be added.

The following is quoted from the report to me made by Mr. Ralph Staples, Principal:

"A further step was taken in the improvement of our shop program, with the addition of a new course in electricity. This now gives us a more balanced program. To supplement our present program, the following major equipment was purchased: a metal spinning lathe, welding equipment, electrical test panel, and paint sprayer. We now have every reason to be proud of our shop.

"The commercial program is being expanded to meet the increased number of pupils who wish to enroll in this program. In order to meet this expansion, a new course in Clerical Practice and Junior Business Training has been added. New textbooks in Office Practice, Shorthand, Junior Business Training, and Typing have been purchased. The 1959-60 budget provides for two new additional typewriters.

"The English program has been strengthened with the introduction of a new series of English textbooks in Grades 8-12.

School Library

The school library can be the heart of the school. I hope that Enfield can have a separate library room in the not too distant future. Even with the facilities now available, a very real improvement has been made. The following is quoted from the report of Mrs. Catherine Reagan, School Librarian:

"Much progress has been made this year in the reorganization of our school library. We still have much to strive for and much work to do to make it what a school library should be, but we are working in the right direction.

"Thanks to the financial aid given by the P. T. A. and the gift of books by the town librarian and other interested people, we have increased our number of books so as to nearly fill all our shelves.

"Each book in our library has been catalogued and marked; then each has been placed in its correct place in the library. This has been done with the help of some commercial students who have typed all the cards for us.

"Since the library room is also used as a classroom, most of the books need to be taken into the study hall for use. Books of fiction, however, may be charged out for a two-week period. There is a high school student in charge of the library each period and she sees to the charging out of books during the period."

New Trust Fund

The people of Enfield, and particularly the students, will be very appreciative of a new trust fund. Frank N. Hall of Exeter, New Hampshire bequeathed to Enfield High School fifty shares of the capital stock of the American Telephone and Telegraph Company. This stock is to be held in trust by the trustees of the trust funds of Enfield. This will be known as the Frank N. Hall Fund, the principal of said fund to be kept intact and the income to be used for two prizes to graduating members of the Senior Class chosen by the Principal and two other teachers.

Post-Secondary Study

Those who go on to post-secondary study from En-

"The Mathematics program has been revised with a new series of Algebra I, Algebra II, and Advanced Math texts. Enfield High School now offers Algebra I, Algebra II, Plane Geometry, Advanced Math, and General Math.

"The Science program has been improved with the purchase of much needed science equipment and supplies. In addition, new texts were purchased for Biology and Chemistry.

"The facilities for the Homemaking course were materially improved with the addition of working tables, storage cabinets, and an electric stove for the cooking laboratory.

"In the field of foreign language, we have added a new course in Latin and in the future, we will offer French I and French II each year.

"Practice Teachers. Enfield High School has been selected by Plymouth Teachers' College to help in their teacher training program. The English and Commercial departments this year each have a practice teacher. In this way we are contributing to the future of the teaching profession.

"Physical Education. The physical education program, under the direction of Mr. Colligen, has been expanded. Each boy in the high school now has a minimum of one period a week. Plans are being made to include the girls in this program.

"Guidance. The guidance program has been reorganized. We now have a systematic program of testing in the following fields: intelligence, achievement, preference, and vocational in grades 1-12. This program, however, will need continued improvement in the coming years. The occupational library which was started last year has proved very helpful to the individual students. We are very proud of the fact that over one-half of last year's graduates went on to higher education. This indicates to me the encouragement and help all of the teachers give the individual students."

field High School seem to be quite successful. Of the graduating classes of 1954 through 1958, twenty-three pupils have gone to post-secondary schools and colleges. Of that number, only one has failed. Two did quit, one of them to get married.

Overcrowding

Study has continued during the year on the question of what should be done to relieve present and probable future overcrowding. A report of the study is to be made at the 1959 School District Meeting. The high school classes can be taken care of next year. Some of the elementary classes will be too large, and, of course, those classes will soon be in high school. The enrollment and class divisions for September, 1959 is now estimated to be as follows:

Room	Total Pupils	By Grades & No. of Pupils
A	37	Grade 1 — 37
B	30	Grade 2 — 30
C	26	Grade 2 — 6
		Grade 3 — 20
D	28	Grade 3 — 18
		Grade 4 — 10
E	30	Grade 4 — 30
F	29	Grade 5 — 29
G	26	Grade 5 — 12
		Grade 7 — 14
H	30	Grade 6 — 30
I	31	Grade 7 — 31
J	30	Grade 8 — 30
K	26	Grade 9 — 26
L	25	Grade 10 — 25
M	25	Grade 11 — 25
N	22	Grade 12 — 22

Some of the classes appear to be not over-large. Certainly, however, 37 pupils are too many for a first grade, the foundation grade for a child's school experience. Also, the rooms in which there are to be two grades are larger than they should be. We do not like having 5th graders and 7th graders together as shown for room G, but it seems to be the least undesirable solution.

It should be kept in mind, too, that the eighth grade of 44 pupils will be in high school by September, 1961. Of course, some may drop out, but, also, new pupils may come.

Professional Improvement

I am pleased to report that the following teachers have taken professional improvement courses during the year:

Virginia Seymour	Biology Institute	Dartmouth College
James Colligen	Child Growth and Development	P. T. C.
Norman Sturlaugson	Theory of Function of Complex Variable	Summer School University of North Dakota
Amy Bond	Modern Physics	
	Audio Visual Aids	P. T. C.
	Conservation	P. T. C.
Cora Pellerin	History of N. H.	P. T. C.

	Elementary Social Studies	B. U.
Martha Armstrong	Elementary Social Studies	B. U.
Muriel Jondro	Physical Education in the Elementary School	B. U.
Barbara Beede	Social Studies	B. U.

Conclusion

In concluding, I want to express sincere appreciation for the continued support and help from the School Board, the school staff and the people of Enfield.

Respectfully submitted,

Arthur E. Pierce
Superintendent of Schools
